2.8.3. Payment in Full. The Note shall be marked "canceled" and returned to Borrower when Borrower has indefeasibly paid the Repayment Amount in full.

2.9 Default Date. The Repayment Amount shall be immediately due and payable no later than the date which is eighteen (18) months after the date of the Initial Disbursement under the Loan (the "Default Date"). Notwithstanding the preceding, amounts

outstanding under this Agreement and the Note become immediately due and payable pursuant to paragraph 10.2 below, which shall then become the Default Date.

2.10 Additional Fees.

2.10.1. Default Penalty – Default Charge. Borrower recognizes and agrees that any default in the payment of any amounts due hereunder or under any of the other Loan Documents will result in losses and expenses to Lender which are difficult to quantify. Therefore, Borrower agrees in the Event of Default, then, in addition to any and all other rights and remedies of Lender hereunder, under the Loan Documents or otherwise at law or in equity, Lender shall be entitled to a one-time charge of ten percent (10%) of the amount of the Loan then outstanding (including any interest and fees thereon) (the Default Fee), which Default Fee shall be added to amount then outstanding on the Loan.

2.10.2. Default Penalty – Interest Rate Increase. Borrower recognizes and agrees that any default in the payment of any amounts due hereunder or under any of the other Loan Documents will result in losses and expenses to Lender which are difficult to quantify. Therefore, Borrower agrees in the Event of Default, then, in addition to any and all other rights and remedies of Lender hereunder, under the Loan Documents or otherwise at law or in equity, in addition to the Default Fee above, the Interest rate charged on that portion of the Loan principal then outstanding shall be increased from thirteen percent (13%) per annum to seventeen percent (17%) per annum, compounded monthly, retroactive to the date of the applicable default. If Borrower fails to fully repay the Repayment Amount within six (6) months following the Default Date, the Interest rate charged on that portion of the combined Loan principal then outstanding shall be increased to nineteen (19%) percent per annum, compounded monthly, retroactive to the date of the applicable default.

2.10.3. Default Penalty – Net Profit Participation Increase. In addition to the interest rate increase default penalty in Paragraph 2.10.2 above, if Borrower fails to fully repay the Repayment Amount within one hundred twenty (120) days following the Default Date, Lender's Net Profit Participation shall be increased by an additional five percent (5%) of the Net Receipts – i.e. to a total of thirteen percent (13%) of the Net Receipts, payable out of the financiers' share of Picture's Net Profits.

2.10.4. Failure to Satisfy Conditions Precedent. Borrower acknowledges and agrees that as consideration for Lender to make the Initial Disbursement under the Loan, in the event all Conditions Precedent identified in Schedule B, attached hereto have not been satisfied by the date required pursuant to the Borrowing Certificate (unless individually waived), plus a five (5) day cure period, the Repayment Amount shall bear interest at a rate equal to the lesser of: (i) the maximum legal rate of interest (if any) permitted by applicable law; or (ii) a rate which is five percent (5%) per month (or sixty percent (60%) per annum) until the earlier of: (A) the date of the Conditions Precedent have been satisfied in full; (B) the date of an Event of Default has occurred; or (C) the Default Date.

3. PAYMENT OF REPAYMENT AMOUNT.

3.1 Voluntary Prepayments. At any time following the date of the Initial Disbursement of the Loan, the Borrower may, at its option, prepay all or any of the outstanding

amounts under the Loan. If the date of any prepayment (the Prepayment Date) proposed by Borrower is less than one (1) year, the greater of the following will be due to Lender by borrower; (i) the total amount of the Repayment Amount; or (ii) an amount equal to the Loan amount plus an amount equal to one (1) year of Interest on the Loan (which shall be an amount in Canadian Dollars equal to One Million Five Hundred Two Thousand Two Hundred Three Euros [€1,502,203]) (Subparagraphs i and ii, are collectively, the Prepayment Penalty).

3.2 Mandatory Repayments. The Repayment Amount shall be repaid as follows:

3.2.1. Borrower shall immediately repay all Disbursements in excess of the Commitment Amount, if any, under the Loan to the extent that the sum of the aggregate amounts outstanding under the Loan at any time exceed the Commitment Amount.

3.2.2. Until such time as the Repayment Amount is repaid in full, Borrower shall pay, or cause to be paid, indirectly or directly to the Collection Administrator (where an applicable CAMA has been fully executed and delivered) for deposit in the Collection Account(s) all amounts paid or payable to Borrower or Sales Agent with respect to exploitation of the Picture, including without limitation, all Gross Receipts (subject to the offset by Distributors and deduction of approved Sales Agent fees, in each case after minimum guarantees are paid and save to the extent required to repay any financiers who have advanced monies against any such minimum guarantees for the purposes of financing the picture), all sums payable to the Borrower or Sales Agent under the Distribution Agreements. In addition, Borrower shall direct or contractually require that Sales Agent direct in writing all parties obligated to make payments to Borrower with respect to any of the foregoing amounts to pay such amounts to the Collection Administrator (where an applicable CAMA has been fully executed and delivered), for deposit in the Collection Account(s), or to Lender as provided herein. If any Person pays any such sums to which the Borrower is entitled, directly to the Borrower or any other Person, such Borrower or such other Person, as applicable, shall receive such sums as Lender's trustee and, promptly upon receipt thereof, shall remit such sums (or cause such sums to be remitted) to the Collection Administrator or Lender as set forth above.

3.2.3. The Repayment Amount and any additional amounts owed included in the Repayment Amount shall be repaid in full no later than the applicable Default Date.

3.3 Application of Payments.

3.3.1. The CAMA will provide, in part, for certain monies derived from the exploitation of the Picture to be paid to the Borrower which amounts shall be remitted by the Collection Administrator and/or the Borrower, as the case may be, to the Lender. For greater certainty, until the Repayment Amount has been indefeasibly repaid in full in accordance with the terms hereof, irrespective of whether a fully executed CAMA is executed and delivered by the relevant parties in respect of the Picture, the Borrower acknowledges and agrees that any and all Gross Receipts to which Borrower is now or at any time hereafter entitled and/or which are or may at any time hereafter be received or receivable by the Borrower, shall be subject to the security interest of the Lender, received in trust for and on

behalf of the Lender and shall be immediately upon receipt remitted to the Collection Account. If the Collection Account will not assume the obligation to pay proceeds pursuant to its CAMA in the absence of a fully executed CAMA and payments are received prior to a fully executed CAMA, payments shall be made directly to Lender. The monies paid to Lender by the Collection Administrator pursuant to the CAMA, as well as the monies paid directly to Lender pursuant to paragraph 3.2.2, above, shall be applied as set forth in this paragraph 3.3.

3.3.2. Until the Repayment Amount has been indefeasibly repaid in full in accordance with the terms and conditions hereof, all amounts paid to Lender hereunder with respect to the Picture by the Collection Administrator pursuant to the CAMA, or by any other Person on behalf of the Borrower shall be applied by Lender to reduce the Repayment Amount in the following priority: first, to amounts payable to Lender in reimbursement of its costs and expenses pursuant to Paragraph 8.7 hereof, to the extent the same are not duly and timely paid to Lender as required by Paragraph 8.7 hereof; second, to pay any additional fees due pursuant to Paragraph 2.10 hereof; third, to repayment of the outstanding principal balance of the Loan; and last, to repayment of the balance of the Repayment Amount.

3.3.3. Enforcement by Borrower. 8.3 Reconciliation of Statements. Upon Lender's reasonable request, The Borrower shall promptly furnish to Lender a reconciliation of information concerning any discrepancy with respect to any item in any summary or statement of revenues paid and payable by The Borrower or any other Person, and The Borrower further agrees that, if Lender in its good faith business judgment, believes that an Event of Default may have occurred, Lender shall have the right to appoint an accountant to prepare such information as Lender may require, the reasonable fees and expenses of such accountant to be borne and paid by The Borrower.

8.4 Notice of Legal Proceedings. Borrower shall promptly give Lender written notice of all litigation, proceedings, controversies (which in any way may adversely affect Lender's rights and Security Interest hereunder or under any of the documents referred to herein) or interruptions (i.e., events of force majeure) in the production or distribution of, or claims materially affecting, the Picture, and/or any of Borrower's rights with respect thereto, and, where applicable, Borrower shall appear in and defend any and all such actions and proceedings, in and to the Picture, and shall obtain and furnish to Lender from time to time, upon demand, all instruments, agreements, financial statements, documents, releases and subordinations of claims or liens as Lender may require, consistent with this Agreement, to maintain the priority of Lender's Security Interest under this Agreement.

All Physical Property relating to the Picture shall be deposited with a Laboratory, and a Laboratory Pledgeholder Agreement shall be duly executed by each Laboratory and delivered to Lender promptly upon execution of this Agreement. No print, preprint, sound or other materials relating to the Picture shall be deposited at any laboratory or maintained at any place other than a Laboratory which has executed a Laboratory Pledgeholder Agreement without Lender's prior written consent. Lender acknowledges that the Borrower

and the Distributor(s) may have access to such film materials, but only to the extent permitted in the Laboratory Pledgeholder Agreement.

Such costs and expenses (including, without limitation, court costs and attorney's fees) shall constitute a Disbursement hereunder (which may exceed the Commitment Amount) and shall be secured and recoupable; provided, however, that Borrower shall pay any reasonable attorney's fees, court costs and out-of-pocket expenses incurred by Lender in connection with this Agreement immediately upon demand by Lender. At Lender's election, Lender shall have the right (and is hereby authorized by Borrower) to make additional Disbursements under the Loan for the repayment to Lender of all such amounts.

8.8 Performance, Copyright Registration. The Borrower shall diligently and duly perform and observe all of the terms, covenants and conditions to be performed and observed by such Persons, respectively, under and pursuant to the Distribution Agreements and those distribution agreements (if any) negotiated or entered into by Lender pursuant to paragraph 10.4, below, and shall otherwise facilitate Lender's performance of such agreements. Promptly upon execution of this Agreement, Borrower shall cause to be registered the Screenplay with the United States Copyright Office, if Borrower has not already done so, and give Lender written notice of all names and titles which the Screenplay and the Picture have had or been known by. Promptly upon completion of principal photography of the Picture, Borrower shall notify Lender in writing and, promptly after delivery of the Picture to Agent, The Borrower shall register (or cause to be registered) the Picture with the United States Copyright Office and deliver to Lender a fully executed Copyright Mortgage for the Picture. In addition to executing such Copyright Mortgage, Lender shall provide Borrower with copies of any documents necessary for registration of such Mortgage with the Copyright Office. Borrower hereby agrees, at Lender's cost, to do such further acts and things and to execute and deliver to Lender such additional conveyances, assignments, agreements, and instruments as Lender may require or deem advisable to carry into effect the purposes of this Agreement or to better assure and confirm to the Lender its rights, powers, and remedies hereunder. Borrower shall also give Lender prompt written notice each time the Screenplay or the Picture acquires or becomes known by a new or different name or title.

8.9 Indemnity.

8.9.1. Borrower shall, at all times, defend, indemnify and hold Lender and its shareholders, members, officers, directors, employees, representatives and agents harmless from and against any and all liabilities, claims, demands, causes of action, losses, damages, expenses (including, without limitation, reasonable external attorney's fees),

costs, settlements, judgments or recoveries arising out of or resulting from (i) any breach of any representations, warranties, agreements or covenants made herein or under any Loan Documents to which it is a party, (ii) any suit or proceeding of any kind or nature whatsoever against Lender arising from or connected with the transactions contemplated by this Agreement or any of the documents, instruments or agreements to be executed pursuant hereto or any of the rights and properties assigned to Lender hereunder (except those arising due to Lender's gross negligence, reckless or intentional misconduct, or breach of this Agreement), or (iii) any suit or proceeding that Lender may in good faith deem necessary or advisable to institute, in the name of Lender, Borrower or any of them, against any other Person for any reason whatsoever to protect Lender's rights hereunder, or any rights granted to Lender, all of which shall be charged to and paid by Borrower and shall be secured by Lender's Security Interest in the Collateral.

8.9.2. Lender shall, at all times, defend, indemnify and hold Borrower and its respective shareholders, members, officers, directors, employees, representatives and agents harmless from and against any and all liabilities, claims, demands, causes of action, losses, damages, expenses (including, without limitation, reasonable attorney's fees), costs, settlements, judgments or recoveries arising out of or resulting from any breach of any representations, warranties, agreements or covenants made herein or under any Loan Documents to which it is a party.

8.10 Further Assurances. If Lender requests, The Borrower shall execute and deliver, or cause to be executed and delivered, to Lender the documents referred to in paragraph 8.15 hereof and, at Lender's cost, such further instruments, documents and agreements as Lender may reasonably require, and shall do, or cause to be done, such further acts as Lender may reasonably require to carry out or effectuate the purposes of this Agreement and enable Lender to exercise its rights and remedies hereunder. If The Borrower fails to execute or deliver to Lender any such further instruments, documents or agreements within five (5) Business Days after Lender's request therefor, then Lender is hereby appointed as such The Borrower's irrevocable attorney-in-fact, with full power of substitution and with the right, but not the obligation, to do any and all acts and things necessary to execute, acknowledge and deliver any and all such further instruments, documents or agreements, in such The Borrower's name and on such The Borrower's behalf, which appointment shall be deemed to be a power coupled with an interest and shall be irrevocable. Lender shall provide The Borrower with copies of any documents signed under such power within ten (10) days of their execution.

8.11 Notice of Events of Default. Borrower shall give Lender prompt written notice of all Events of Default under any of the terms or provisions of this Agreement and of any changes in management, litigation, or of any other matter which has resulted in or may result in a materially adverse change in Borrower's financial condition or operations.

8.12.1. Producer's Package Coverage. The Borrower shall cause to be at all times hereunder at no cost to the Lender obtained and kept in full force and effect in amount, kind and form reasonably satisfactory to Lender and with insurers approved by Lender,

the following types of insurance providing such coverage as is customarily provided by such types of insurance: Negative Insurance in an amount equal to the amount of the Budget; faulty stock, camera and processing insurance; props, sets and wardrobe insurance; miscellaneous equipment insurance; property damage and liability insurance and any other insurance policies on such terms and at such times as are required under the Distribution Agreements.

8.12.2. **Lender Named as Loss Payee; Cancellation Provisions.** Such insurance policies as are enumerated in the preceding paragraph, shall include Lender as a loss payee, and shall include a provision for the issuance to Lender of written notice of any cancellation of or material change in such insurance coverage, which written notice shall be given to Lender not less than thirty (30) days in advance of such cancellation of or material change in such insurance coverage.

8.12.3. **Liability Insurance.** The Borrower shall cause to be obtained and kept in full force and effect at all times hereunder at no cost to the Lender and keep in full force and effect and in an amount, kind and form reasonably satisfactory to Lender and with insurers approved by Lender, Errors and Omissions Insurance covering, among other things, the legal liability and defense of The Borrower against lawsuits alleging the unauthorized use of title, format, ideas, characters, plots, plagiarism, copyright infringement and unfair competition. Such insurance shall also protect against alleged libel, slander, defamation of character and invasion of privacy. The Errors and Omissions Insurance shall be at least the minimum amount and a period of coverage of not less than the minimum required under any Distribution Agreement or any other third party agreement.

8.12.4. **Naming Lender "Additional Insured".** The insurance enumerated in paragraph 8.12.3 shall name Lender and its assigns (and their agents, members, officers, directors and employees) as additional insureds thereunder and shall provide for the issuance of written notice to Lender of any cancellation of or material change in any such insurance coverage, which written notice shall be given to Lender not less than thirty (30) days in advance of such cancellation of or material change in such insurance coverage.

8.12.5. **Payment of Premiums.** The insurance policies (or the Certificates of Insurance reflecting that such coverage is in effect) referred to in this Paragraph 8.12 shall: (i) contain an endorsement which negates the "other insurance" clause in such policies and a statement that the insurance being provided is primary and any insurance carried by Lender is neither primary nor contributory; and (ii) be delivered to Lender. Lender shall not have any liability to pay for any premiums or calls with respect to any of the insurance policies referred to in this Paragraph 8.12.

8.13. **Compliance with Laws.** The Borrower shall comply in all respects with any minimum wage, overtime and child labor laws, to the extent applicable.

8.14. **Payments from the Distributors.** At all times (including, without limitation, after the occurrence of an Event of Default hereunder) prior to repayment in full of the Repayment Amount, The Borrower shall use its reasonable endeavors to supervise and monitor the performance of and payments from the Distributors under the Distribution Agreements, and shall keep true, full and complete books and records of such payments, which

books and records shall be in accordance with generally accepted accounting practices in the motion picture industry. The Borrower shall duly and timely pay the Repayment Amount payable to Lender hereunder as and when due and payable.

8.15 Notices of Assignment. The Borrower shall obtain (or shall cause Sales Agent to obtain) from each Distributor, currently with such Distributor's execution of its Distribution Agreement and as a precondition to such Distributor's exercise of rights thereunder, a Notice of Assignment, in form and substance acceptable to Lender and its counsel, signed by such Distributor requiring such Distributor to make payments to the Collection Account as provided herein, subject to the rights of any third party financier of the Picture, including, without limitation, any such third party lending against such Distributor's minimum guarantees; provided, however, that The Borrower's failure to obtain any such Notice of Assignment shall not constitute a breach of this Agreement by The Borrower but shall result in such Distribution Agreement not being considered an Acceptable Distribution Agreement for all purposes hereunder.

8.16 Loan Assignment; Note; and Notice of Assignment. Borrower shall execute a promissory note in the same form and substance as the Note, which cancels and supersedes the Note and a notice of assignment, if and when the Loan and all the Loan Documents are assigned to a third party by Lender.

8.17 Foreign Exchange. Borrower assumes all risks associated with exchange rate fluctuations between the Dollar and any currency other than the Dollar. Without limiting the generality of the foregoing, Borrower assume the risk that (i) to the extent that any of the costs of production of the Picture are to be paid in a currency other than Dollars, the Loan proceeds may be inadequate to pay all of the costs of production of the Picture due to changes in the exchange rates between the Dollar and the currency or currencies which are to be used to pay the costs of production of the Picture, (ii) to the extent that one (1) or more of Distributors or the Distributors makes payment to Lender in a currency other than Dollars, the total of all payments made to Lender by the Distributors and the Distributors may not be sufficient to repay the Repayment Amount in full, and (iii) the value of any currency other than the Dollar (whether such currency is to be used to pay costs of production of the Picture or to repay the Repayment Amount) may decline relative to the Dollar.

8.18 Taxes and Other Liabilities. Borrower shall pay and discharge, before the same become delinquent and before penalties accrue thereon, all taxes, assessments and governmental charges upon or against it or upon its income or profits or upon any of its properties and all its other liabilities at any time existing, except to the extent and so long as: (i) the same are being contested in good faith and by appropriate proceedings in such manner as not to cause any materially adverse effect upon its financial condition or the loss of any right of redemption from any sale thereunder; and (ii) it has set aside on its books reserves (segregated to the extent required by generally accepted accounting principles) adequate with respect thereto; and further to pay all governmental charges or taxes (except income, franchise or other similar taxes of Lender) at any time payable or ruled to be payable with respect to the existence, execution or delivery of this Agreement or the other Loan Documents by reason of any existing or hereafter enacted federal or state statute.

8.19 Compliance. Borrower shall comply with all laws, rules and regulations relating to and shall pay prior to delinquency all license fees, registration fees, taxes, guild or union pension, health and welfare payments, supplemental market, reuse and other required payments and assessments and all other charges, including without limitation non-governmental levies or assessments, which may be levied upon or assessed against, or which may become a lien on, the ownership, operation, possession, maintenance, exploitation, exhibition or use of, the Collateral, or which create or may create a lien upon the Collateral, or any part thereof. Borrower shall pay prior to delinquency all required guild or union residual payments arising with respect to the Picture.

9. NEGATIVE COVENANTS.

9.1 Written Consent. Borrower hereby covenant and agree that, as long as this Agreement is in effect and until Borrower's obligations to Lender hereunder are fully discharged, the Borrower will not, without first having procured Lender's written consent:

9.1.1. in the case of the Borrower terminate, amend, alter or modify, or consent to or permit the termination, amendment, alteration or modification of, the Distribution Agreements or any other agreement referred to herein or secured by Lender's security interest hereunder in any manner, or enter into any other agreement, that would adversely affect or lessen any of the rights granted to Lender under this Agreement, or under any instruments, documents or agreements executed by The Borrower in connection herewith;

9.2 Use of Funds. The Borrower shall not use any funds disbursed by Lender under the Loan for any purpose or thing other than to pay the costs of production of the Picture in accordance with the approved Budget and to fund the fees specified herein.

10.1.7. the suspension by either Borrower, any sales agent, any Distributor of any of their respective business operations which suspension would in any way materially and adversely affect Lender's rights and Security Interest hereunder or under any documents referred to herein;

10.1.8. the issuance or levy of any warrant of attachment, execution or other writ on the proceeds payable pursuant to any agreement referred to herein or secured by Lender's Security Interest, if any such attachment, execution or other writ remains undischarged and unstayed for a period in excess of forty-five (45) days or Borrower fails to post (or cause to be posted) an indemnity bond for the maximum liability pursuant to any such attachment, execution or other writ;

10.1.10. if there exists or occurs any event or condition which, in Lender's good faith business judgment (exercised in Lender's sole discretion), is an Event of Default or which would have a material adverse effect on either Borrower's ability or obligation to perform their obligations under this Agreement and under the other documents, agreements and instruments to be executed pursuant hereto;

10.1.11. if a final judgment or judgments for the payment of money in excess of Fifty Thousand Dollars (US\$50,000.00) is entered or affirmed by a court against either Borrower or any Affiliated Person from which no further appeal may be taken, and such Borrower or the Affiliated Person does not discharge the same or provide for its or their discharge in accordance with its or their terms or procure a stay of execution thereof within forty-five (45) days from the date of entry thereof; or

10.1.12. if any Loan Document ceases to be in full force and effect or the occurrence of a default thereunder.

10.1.13. An Event of Default, as defined hereunder shall specifically exclude a failure to satisfy a condition precedent, the terms and penalties of which are described in Paragraph 2.10.4.

10.2 Remedies. Subject always to the terms of the Interparty Agreement and the rights of the Completion Guarantor under the Completion Guaranty, upon the occurrence of any of the Events of Default set forth in paragraph 10.1.9, above, the Repayment Amount shall immediately become due and payable in addition to Lender's legal fees, costs, overheads and expenses incurred by Lender in connection with such Event of Default. At Lender's option, upon the occurrence of any other Event of Default, and at any time thereafter if such Event of Default is continuing, Lender shall have the following additional remedies:

10.2.1. Unless such Event of Default is cured within the time period (if any) provided for hereunder, Lender may, without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived by Borrower, call the Repayment Amount due and payable, if not otherwise then due and payable (anything herein or in the Note or other agreement, contract, indenture, document or instrument to the contrary notwithstanding) and the Default Date shall be accelerated accordingly.

10.2.2. Lender shall be entitled to exercise, with respect to the Collateral, all of the rights and remedies available to a secured party upon default under Law of Property Act 1925 and in schedule 1 to the Insolvency Act 1986 and any other powers the Lender may have by law at the time which shall be applicable for the purpose of establishing the relative rights of Lender and Borrower, and under procedures to be followed in the event this paragraph becomes operative, including, without limitation, the right to sell the Collateral or

any portion thereof and, in addition thereto, the rights and remedies provided for herein and such other rights and remedies as may be provided by law or in equity.

10.2.3. Lender may require Borrower to assemble the Collateral and make it available to Lender at a place or places to be designated by Lender.

10.2.4. Subject to the terms of the Interparty Agreement and the rights of the Completion Guarantor under the Completion Guaranty, Lender may, in its sole discretion, in its name or in the Borrower's name, or otherwise, demand, sue for, collect or receive any money or property at any time payable or receivable on account of or in exchange for, or make any compromise or settlement reasonably deemed desirable with respect to, any of the Collateral, but Lender shall be under no obligation to do so, Lender shall consult with Borrower with regard to such matters, provided that in all cases Lender's decision shall be final. Lender may extend the time of payment, arrange for payment in installments, or otherwise modify the term of, or release, any of the Collateral, without thereby incurring responsibility to, or discharging or otherwise affecting the liability of, Borrower. Lender will not be required to take any steps to preserve any rights of or against any Person which in any way relate to the Collateral. If Borrower fails to make payment or take any action required under this Agreement, or any Loan Document, Lender may make such payments and take all such actions as Lender reasonably deems necessary to protect Lender's Security Interests in the Collateral or the value thereof, and Lender is hereby authorized (without limiting the general nature of the authority conferred herein) to pay, purchase, contest or compromise any encumbrances, charges or liens which in Lender's good faith judgment appear to be equal to, prior to or superior to Lender's Security Interests in the Collateral.

10.2.5. Lender may, without notice or demand or legal process, enter upon any premises, or wherever any portion of the Collateral may be, and take possession of the Collateral together with all additions and accessories thereto; demand and receive such possession from any Person who has possession thereof; remove, keep and store the Collateral or any portion thereof, or put a custodian in charge thereof; and take such other measures as it may deem reasonably necessary or proper for the care or protection thereof.

10.2.6. Lender may, with or without taking possession thereof, sell or cause to be sold all or any portion of the Collateral, at such commercially reasonable price or prices as Lender, in its sole and absolute discretion, shall determine, and for cash or on credit or for future delivery, without assumption of any credit risk, at any public or private sale, without demand of performance or notice of intention to sell or of time or place of sale; provided, however, that unless the Collateral in Lender's possession is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Lender shall give Borrower reasonable notice of the time and place of any public sale thereof or of the time after which any private sale or other intended disposition thereof is to be made. The requirement of reasonable notice shall be met if notice of the sale or other intended disposition is delivered or mailed, by registered mail, postage prepaid, to Borrower as set forth in this Agreement or such other address as Borrower may have furnished to Lender as provided herein, at least five (5) Business Days prior to the time of such sale or other intended disposition. The purchaser at any such sale (including, if applicable, Lender) shall hold the property sold absolutely free from any

claim or right of whatever kind including, without limitation, any equity of redemption, and Borrower hereby waives (to the extent permitted by law) all rights of redemption, stay and appraisal which it now has or may have at any time in the future under any rule of law or statute now existing or hereafter enacted. Any public or private sale of the Collateral or any part thereof shall be held at such time or times within ordinary business hours and at such place or places as Lender may fix in the notice of such sale. At any such sale, the Collateral, or any portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as Lender may (in its sole discretion) determine and, if permitted by law, Lender may bid (which bid may be, in whole or in part, in the form of cancellation of Repayment Amount) for and purchase the Collateral or any portion thereof for the account of Lender. Lender shall not be obligated to make any sale of the whole or any part of the Collateral if it determines not to do so, regardless of the fact that notice of sale of the Collateral has been given. Lender may, by announcement at the time and place fixed for sale, without prior notice or publication, adjourn any public or private sale of the Collateral or cause any such sale to be adjourned from time to time, and such sale may, without further notice, be made at the time and place to which it was so adjourned. In case a sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by Lender until the sale price is paid by the purchaser or purchasers thereof; provided, however, that Lender shall not incur any liability in case any such purchaser or purchasers fails to pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again.

10.2.7. Any laboratory which has possession of any of the Collateral is hereby constituted and appointed by Borrower as pledgeholder for Lender and Lender may authorize each such pledgeholder to sell all or any portion of the Collateral upon Lender's order and direction, and Borrower hereby waive any and all claims for damages, or otherwise, for any action taken by such pledgeholder.

10.2.8. Lender shall be entitled to the appointment of a receiver to take possession of all or any portion of the Collateral and to exercise such powers as the court may confer upon the receiver, and Borrower hereby waives, to the fullest extent permitted by law, notice and the right to receive notice of any application by Lender for such appointment; provided, however, that Lender shall use reasonable efforts to send Borrower a courtesy notice of such application; provided, however, that Lender's failure to send such notice shall not affect Lender's rights under this section or elsewhere hereunder or constitute a breach of this Agreement by Lender, and provided further that, notwithstanding any such application or appointment, Lender shall be entitled to apply, without notice to Borrower, any cash or cash items constituting Collateral in Lender's possession to payment of Borrower's Repayment Amount under this Agreement, the Note and the other Loan Documents.

10.2.9. Upon any sale of any item of Collateral by Lender hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), a receipt issued by Lender or the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of such item or items of Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid to Lender or such officer or be answerable in any way for the misapplication or non-application thereof.

10.2.10. Lender or any holder of the Note is hereby authorized at any time and from time to time, without notice to Borrower (any such notice being expressly waived by Borrower), to setoff and apply any and all deposits (general or special, time or demand, provisional or final) at any time held, including, without limitation, any certificate of deposit, and any other Repayment Amount at any time owing by Lender or such holder of the Note to or for Borrower's credit or account against any and all of Borrower's then-due Repayment Amount now or hereafter existing under this Agreement, the Note or any other Loan Document (including, without limitation, any Repayment Amount due by reason of any acceleration hereunder), irrespective of whether or not Lender or such holder of the Note has made any demand under this Agreement, the Note or any other Loan Document. Lender agrees to promptly notify Borrower after any such setoff and application. Lender's rights under this Paragraph 10.2.10 are in addition to any other rights and remedies (including, without limitation, other rights of setoff) which Lender may have.

10.2.11. Lender may, at its option, engage others to exercise or discharge any of its rights or obligations hereunder. The amounts payable to such others by Lender shall be recoverable by Lender and secured as provided in Paragraph 8.7 hereof.

10.3 Cure Period. With respect to the Events of Default set forth in Paragraphs 10.1.1, 10.1.2, 10.1.3, 10.1.4, 10.1.5, 10.1.6, 10.1.7, or 10.1.12, above, Borrower shall have a period of ten (10) days after receipt of written notice of such Event of Default within which to cure any such Event of Default, except if the Event of Default is that the Borrower has exceeded the Approved Budget or the Approved Production Schedule where no cure period is required. At Lender's sole and exclusive option, upon the occurrence of any other Event of Default, and at any time thereafter, subject to the rights of the Completion Guarantor under the Completion Guaranty, Lender may permit Borrower to cure such Event of Default, but Lender shall have no obligation to do so.

10.4 Attorney-in-Fact. Should an Event of Default occur hereunder, each Borrower hereby irrevocably designates, constitutes and appoints Lender as its true and lawful attorney-in-fact with full power of substitution and with full and irrevocable power (which power shall be deemed coupled with an interest), in such Borrower's place and stead and in either such Borrower's or Lender's name, at any time, subject to the terms of the Interparty Agreement and the rights of the Completion Guarantor under the Completion Guaranty: (i) to lease, license, sell or otherwise dispose of any rights such Borrower may have in or to either Picture (or to engage others to do so with the costs and expenses thereof to be recoverable by Lender as provided in paragraph 8.7 hereof); (ii) to negotiate such lease, license, sale or other agreements and to enter into such agreements on such Borrower's behalf on such terms and conditions as Lender deems appropriate; (iii) to renegotiate the Distribution Agreements or such other agreements as Lender has a Security Interest in as Lender in its sole and exclusive discretion deems proper; (iv) to require, demand, collect, receive, settle, adjust, compromise and to give acquittances and receipts for the payment of any and all monies payable pursuant to the Distribution Agreements or such other agreements as Lender has a security interest and such licenses and agreements as Lender may enter into as provided in this paragraph; (v) to file any claims or proofs of claim, to commence, maintain or discontinue any actions, suits or other proceedings deemed by Lender advisable for the purpose of collecting or enforcing payment of

any such monies; (vi) to endorse any checks, drafts or other orders or instruments for the payment of monies payable to such Borrower which shall be issued with respect to such monies; (vii) to execute any and all such instruments, agreements or documents as may be necessary or desirable in the premises; and (viii) to apply any receipts so derived as provided herein. However, Lender shall not be obligated to make any demand or present or file any claim or take any action authorized hereby. If Lender requests, Borrower shall deliver to Lender all materials, books, records, documents and things of any nature required by Lender in the exercise of its rights hereunder. Thereafter, unless Lender requests Borrower to do otherwise, Borrower shall continue to perform, and such other Persons shall continue to be obligated to perform, their respective obligations in accordance with the Distribution Agreements and any other agreements entered into by them prior thereto and all other agreements thereafter entered into by Lender pursuant hereto.

11. SPECIAL PROVISIONS

In addition, Borrower shall have disclosed all material developments which have occurred in any such litigation, arbitration proceedings or governmental proceedings which, in Lender's opinion, are likely to materially adversely affect Borrower's financial position or business, or impair Borrower's ability to perform its obligations under this Agreement or the Note.

At Lender's election, Lender shall have the right (and is hereby authorized by Borrower) to make additional Disbursements under the Loan for the repayment to Lender of all such amounts.

8.8 Performance, Copyright Registration. In addition to executing such Copyright Mortgage, Lender shall provide Borrower with copies of any documents necessary for registration of such Mortgage with the Copyright Office. 8.9.2. Lender shall, at all times, defend, indemnify and hold Borrower and its respective shareholders, members, officers, directors, employees, representatives and agents harmless from and against any and all liabilities, claims, demands, causes of action, losses, damages, expenses (including, without limitation, reasonable attorney's fees), costs, settlements, judgments or recoveries arising out of or resulting from any breach of any representations, warranties, agreements or covenants made herein or under any Loan Documents to which it is a party.

8.12.2. **Lender Named as Loss Payee; Cancellation Provisions.** Such insurance policies as are enumerated in the preceding paragraph, shall include Lender as a loss payee, and shall include a provision for the issuance to Lender of written notice of any cancellation of or material change in such insurance coverage, which written notice shall be given to Lender not less than thirty (30) days in advance of such cancellation of or material change in such insurance coverage.

8.12.3. **Liability Insurance.** The Borrower shall cause to be obtained and kept in full force and effect at all times hereunder at no cost to the Lender and keep in full force and effect and in an amount, kind and form reasonably satisfactory to Lender and with insurers approved by Lender, Errors and Omissions Insurance covering, among other things, the legal liability and defense of The Borrower against lawsuits alleging the unauthorized use of title, format, ideas, characters, plots, plagiarism, copyright infringement and unfair competition. Such insurance shall also protect against alleged libel, slander, defamation of character and invasion of privacy. The Errors and Omissions Insurance shall be at least the minimum amount and a period of coverage of not less than the minimum required under any Distribution Agreement or any other third party agreement.

Lender shall not have any liability to pay for any premiums or calls with respect to any of the insurance policies referred to in this Paragraph 8.12.

8.13. **Compliance with Laws.** The Borrower shall comply in all respects with any minimum wage, overtime and child labor laws, to the extent applicable.

8.14. **Payments from the Distributors.** At all times (including, without limitation, after the occurrence of an Event of Default hereunder) prior to repayment in full of the Repayment Amount, The Borrower shall use its reasonable endeavors to supervise and monitor the performance of and payments from the Distributors under the Distribution Agreements, and shall keep true, full and complete books and records of such payments, which

books and records shall be in accordance with generally accepted accounting practices in the motion picture industry. The Borrower shall duly and timely pay the Repayment Amount payable to Lender hereunder as and when due and payable.

8.15 Notices of Assignment. The Borrower shall obtain (or shall cause Sales Agent to obtain) from each Distributor, currently with such Distributor's execution of its Distribution Agreement and as a precondition to such Distributor's exercise of rights thereunder, a Notice of Assignment, in form and substance acceptable to Lender and its counsel, signed by such Distributor requiring such Distributor to make payments to the Collection Account as provided herein, subject to the rights of any third party financier of the Picture, including, without limitation, any such third party lending against such Distributor's minimum guarantees; provided, however, that The Borrower's failure to obtain any such Notice of Assignment shall not constitute a breach of this Agreement by The Borrower but shall result in such Distribution Agreement not being considered an Acceptable Distribution Agreement for all purposes hereunder.

8.16 Loan Assignment; Note; and Notice of Assignment. Borrower shall execute a promissory note in the same form and substance as the Note, which cancels and supersedes the Note and a notice of assignment, if and when the Loan and all the Loan Documents are assigned to a third party by Lender.

Without limiting the generality of the foregoing, Borrower assume the risk that (i) to the extent that any of the costs of production of the Picture are to be paid in a currency other than Dollars, the Loan proceeds may be inadequate to pay all of the costs of production of the Picture due to changes in the exchange rates between the Dollar and the currency or currencies which are to be used to pay the costs of production of the Picture, (ii) to the extent that one (1) or more of Distributors or the Distributors makes payment to Lender in a currency other than Dollars, the total of all payments made to Lender by the Distributors and the Distributors may not be sufficient to repay the Repayment Amount in full, and (iii) the value of any currency other than the Dollar (whether such currency is to be used to pay costs of production of the Picture or to repay the Repayment Amount) may decline relative to the Dollar.

8.18 Taxes and Other Liabilities. Borrower shall pay and discharge, before the same become delinquent and before penalties accrue thereon, all taxes, assessments and governmental charges upon or against it or upon its income or profits or upon any of its properties and all its other liabilities at any time existing, except to the extent and so long as: (i) the same are being contested in good faith and by appropriate proceedings in such manner as not to cause any materially adverse effect upon its financial condition or the loss of any right of redemption from any sale thereunder; and (ii) it has set aside on its books reserves (segregated to the extent required by generally accepted accounting principles) adequate with respect thereto; and further to pay all governmental charges or taxes (except income, franchise or other similar taxes of Lender) at any time payable or ruled to be payable with respect to the existence, execution or delivery of this Agreement or the other Loan Documents by reason of any existing or hereafter enacted federal or state statute.

8.19 Compliance. Borrower shall comply with all laws, rules and regulations relating to and shall pay prior to delinquency all license fees, registration fees, taxes, guild or union pension, health and welfare payments, supplemental market, reuse and other required payments and assessments and all other charges, including without limitation non-governmental levies or assessments, which may be levied upon or assessed against, or which may become a lien on, the ownership, operation, possession, maintenance, exploitation, exhibition or use of, the Collateral, or which create or may create a lien upon the Collateral, or any part thereof. Borrower shall pay prior to delinquency all required guild or union residual payments arising with respect to the Picture.

9.1.1. in the case of the Borrower terminate, amend, alter or modify, or consent to or permit the termination, amendment, alteration or modification of, the Distribution Agreements or any other agreement referred to herein or secured by Lender's security interest hereunder in any manner, or enter into any other agreement, that would adversely affect or lessen any of the rights granted to Lender under this Agreement, or under any instruments, documents or agreements executed by The Borrower in connection herewith;

10.1.7. the suspension by either Borrower, any sales agent, any Distributor of any of their respective business operations which suspension would in any way materially and adversely affect Lender's rights and Security Interest hereunder or under any documents referred to herein;

10.1.8. the issuance or levy of any warrant of attachment, execution or other writ on the proceeds payable pursuant to any agreement referred to herein or secured by Lender's Security Interest, if any such attachment, execution or other writ remains undischarged and unstayed for a period in excess of forty-five (45) days or Borrower fails to post (or cause to be posted) an indemnity bond for the maximum liability pursuant to any such attachment, execution or other writ;

10.1.10. if there exists or occurs any event or condition which, in Lender's good faith business judgment (exercised in Lender's sole discretion), is an Event of Default or which would have a material adverse effect on either Borrower's ability or obligation to perform their obligations under this Agreement and under the other documents, agreements and instruments to be executed pursuant hereto;

10.1.11. if a final judgment or judgments for the payment of money in excess of Fifty Thousand Dollars (US\$50,000.00) is entered or affirmed by a court against either Borrower or any Affiliated Person from which no further appeal may be taken, and such Borrower or the Affiliated Person does not discharge the same or provide for its or their discharge in accordance with its or their terms or procure a stay of execution thereof within forty-five (45) days from the date of entry thereof; or

10.1.12. if any Loan Document ceases to be in full force and effect or the occurrence of a default thereunder.

10.1.13. An "Event of Default" as defined hereunder shall specifically exclude a failure to satisfy a condition precedent, the terms and penalties of which are described in Paragraph 2.10.4.

10.2 Remedies. Subject always to the terms of the Interparty Agreement and the rights of the Completion Guarantor under the Completion Guaranty, upon the occurrence of any of the Events of Default set forth in paragraph 10.1.9, above, the Repayment Amount shall immediately become due and payable in addition to Lender's legal fees, costs, overheads and expenses incurred by Lender in connection with such Event of Default. At Lender's option, upon the occurrence of any other Event of Default, and at any time thereafter if such Event of Default is continuing, Lender shall have the following additional remedies:

10.2.1. Unless such Event of Default is cured within the time period (if any) provided for hereunder, Lender may, without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived by Borrower, call the Repayment Amount due and payable, if not otherwise then due and payable (anything herein or in the Note or other agreement, contract, indenture, document or instrument to the contrary notwithstanding) and the Default Date shall be accelerated accordingly.

10.2.2. Lender shall be entitled to exercise, with respect to the Collateral, all of the rights and remedies available to a secured party upon default under Law of Property Act 1925 and in schedule 1 to the Insolvency Act 1986 and any other powers the Lender may have by law at the time which shall be applicable for the purpose of establishing the relative rights of Lender and Borrower, and under procedures to be followed in the event this paragraph becomes operative, including, without limitation, the right to sell the Collateral or

any portion thereof and, in addition thereto, the rights and remedies provided for herein and such other rights and remedies as may be provided by law or in equity.

10.2.3. Lender may require Borrower to assemble the Collateral and make it available to Lender at a place or places to be designated by Lender.

10.2.4. Subject to the terms of the Interparty Agreement and the rights of the Completion Guarantor under the Completion Guaranty, Lender may, in its sole discretion, in its name or in the Borrower's name, or otherwise, demand, sue for, collect or receive any money or property at any time payable or receivable on account of or in exchange for, or make any compromise or settlement reasonably deemed desirable with respect to, any of the Collateral, but Lender shall be under no obligation to do so, Lender shall consult with Borrower with regard to such matters, provided that in all cases Lender's decision shall be final. Lender may extend the time of payment, arrange for payment in installments, or otherwise modify the term of, or release, any of the Collateral, without thereby incurring responsibility to, or discharging or otherwise affecting the liability of, Borrower. Lender will not be required to take any steps to preserve any rights of or against any Person which in any way relate to the Collateral. If Borrower fails to make payment or take any action required under this Agreement, or any Loan Document, Lender may make such payments and take all such actions as Lender reasonably deems necessary to protect Lender's Security Interests in the Collateral or the value thereof, and Lender is hereby authorized (without limiting the general nature of the authority conferred herein) to pay, purchase, contest or compromise any encumbrances, charges or liens which in Lender's good faith judgment appear to be equal to, prior to or superior to Lender's Security Interests in the Collateral.

10.2.5. Lender may, without notice or demand or legal process, enter upon any premises, or wherever any portion of the Collateral may be, and take possession of the Collateral together with all additions and accessories thereto; demand and receive such possession from any Person who has possession thereof; remove, keep and store the Collateral or any portion thereof, or put a custodian in charge thereof; and take such other measures as it may deem reasonably necessary or proper for the care or protection thereof.

10.2.6. Lender may, with or without taking possession thereof, sell or cause to be sold all or any portion of the Collateral, at such commercially reasonable price or prices as Lender, in its sole and absolute discretion, shall determine, and for cash or on credit or for future delivery, without assumption of any credit risk, at any public or private sale, without demand of performance or notice of intention to sell or of time or place of sale; provided, however, that unless the Collateral in Lender's possession is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Lender shall give Borrower reasonable notice of the time and place of any public sale thereof or of the time after which any private sale or other intended disposition thereof is to be made. The requirement of reasonable notice shall be met if notice of the sale or other intended disposition is delivered or mailed, by registered mail, postage prepaid, to Borrower as set forth in this Agreement or such other address as Borrower may have furnished to Lender as provided herein, at least five (5) Business Days prior to the time of such sale or other intended disposition. The purchaser at any such sale (including, if applicable, Lender) shall hold the property sold absolutely free from any

claim or right of whatever kind including, without limitation, any equity of redemption, and Borrower hereby waives (to the extent permitted by law) all rights of redemption, stay and appraisal which it now has or may have at any time in the future under any rule of law or statute now existing or hereafter enacted. Any public or private sale of the Collateral or any part thereof shall be held at such time or times within ordinary business hours and at such place or places as Lender may fix in the notice of such sale. At any such sale, the Collateral, or any portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as Lender may (in its sole discretion) determine and, if permitted by law, Lender may bid (which bid may be, in whole or in part, in the form of cancellation of Repayment Amount) for and purchase the Collateral or any portion thereof for the account of Lender. Lender shall not be obligated to make any sale of the whole or any part of the Collateral if it determines not to do so, regardless of the fact that notice of sale of the Collateral has been given. Lender may, by announcement at the time and place fixed for sale, without prior notice or publication, adjourn any public or private sale of the Collateral or cause any such sale to be adjourned from time to time, and such sale may, without further notice, be made at the time and place to which it was so adjourned. In case a sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by Lender until the sale price is paid by the purchaser or purchasers thereof; provided, however, that Lender shall not incur any liability in case any such purchaser or purchasers fails to pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again.

10.2.7. Any laboratory which has possession of any of the Collateral is hereby constituted and appointed by Borrower as pledgeholder for Lender and Lender may authorize each such pledgeholder to sell all or any portion of the Collateral upon Lender's order and direction, and Borrower hereby waive any and all claims for damages, or otherwise, for any action taken by such pledgeholder.

10.2.8. Lender shall be entitled to the appointment of a receiver to take possession of all or any portion of the Collateral and to exercise such powers as the court may confer upon the receiver, and Borrower hereby waives, to the fullest extent permitted by law, notice and the right to receive notice of any application by Lender for such appointment; provided, however, that Lender shall use reasonable efforts to send Borrower a courtesy notice of such application; provided, however, that Lender's failure to send such notice shall not affect Lender's rights under this section or elsewhere hereunder or constitute a breach of this Agreement by Lender, and provided further that, notwithstanding any such application or appointment, Lender shall be entitled to apply, without notice to Borrower, any cash or cash items constituting Collateral in Lender's possession to payment of Borrower's Repayment Amount under this Agreement, the Note and the other Loan Documents.

10.2.9. Upon any sale of any item of Collateral by Lender hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), a receipt issued by Lender or the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of such item or items of Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid to Lender or such officer or be answerable in any way for the misapplication or non-application thereof.

10.2.10. NBCN Inc. / National Bank Financial (NBCN Inc.) is pleased to provide the following services for your managed account(s) with your Advisor. We will trade and clear securities on such securities markets as directed solely by the Advisor, issue all tax receipts and required reports for clients of the Advisor and provide custodial services for securities held by the clients. Your Advisor has agreed to provide the following services to you as a client such that NBCN Inc. will not be responsible for; providing advice with respect to the investing in of securities of the managed accounts, ensuring that they are acting in accordance with the terms and conditions of the agreements and the providing of a quarterly statement of portfolio as required under the applicable Provincial Securities Act.

Explanations

Your Portfolio Statement consists of two main sections: the "Portfolio Summary" section presents an overview of your investments and is followed by a section providing detailed information on each of your accounts.

Portfolio Summary

The market value of the securities and cash in each of your accounts at month-end is expressed in Canadian dollars. The subsection on asset allocation indicates the distribution of the consolidated financial assets you hold with us across each of the main asset classes. Note that any securities sold short or debit cash positions are not included in the asset mix calculation.

Detailed Information

This section presents information on each of your accounts separately. It is divided into four subsections. The "Cash Summary" subsection presents changes in your cash balance during the month. The "Income and Expense" subsection shows

the total interest income and dividends earned, expenses you incurred and fees you paid during the current month and for the calendar year to date.

All transactions made during the month are presented in chronological order in the "Account Activity Details" subsection. Finally, the "Asset Details" subsection provides a listing of the securities you hold in the account, by asset class.

Purchases and/or dispositions of securities resulting from transactions settled after month-end (listed under "Transactions to settle after") will be reflected in the Portfolio Statement for the following month.

The "Status" column in the "Asset Details" subsection provides information on how the securities in your accounts are held. "SEG" (segregated) indicates fully paid securities which are segregated and held for you in nominee form.

"SFK" (safekeeping) indicates fully paid securities, which are segregated and held registered in your name. "OWED" indicates securities you have sold but which have not yet been delivered to us, or securities that were sold short. "UNSG" (unsegregated) indicates securities being held as collateral for your margin loan, and are therefore not segregated.

Market values for the securities held in your various accounts are provided in the "Asset Details" subsection. For publicly traded stocks, these values are obtained from sources we consider to be reliable, but we cannot guarantee their accuracy. Whenever possible, market values for fixed income securities include accrued interest. In the case of securities not listed on an exchange or traded infrequently, the value given is an estimate which does not necessarily reflect the actual market value. Whenever possible, an asterisk is printed beside each price which is questionable. For certain securities where we are unable to provide a market value, none is given.

Book Value:

"N/A" means that a portion or all of the book value of the security is unknown. If you did not provide us with the information, the book value was obtained through sources that we consider reliable. However, under no circumstances can we guarantee the accuracy of the book value since it may have been acquired from an external source. You accept the entire responsibility for the accuracy of the book value indicated and its use for tax reporting purposes.

Your Advisor has agreed to provide the following services to you as a client such that NBCN Inc. will not be responsible for; providing advice with respect to the investing in of securities of the managed accounts, ensuring that they are acting in accordance with the terms and conditions of the agreements and the providing of a quarterly statement of portfolio as required under the applicable Provincial Securities Act.

Explanations

Your Portfolio Statement consists of two main sections: the "Portfolio Summary" section presents an overview of your investments and is followed by a section providing detailed information on each of your accounts.

Portfolio Summary

The market value of the securities and cash in each of your accounts at month-end is expressed in Canadian dollars. The subsection on asset allocation indicates the distribution of the consolidated financial assets you hold with us across each of the main asset classes. Note that any securities sold short or debit cash positions are not included in the asset mix calculation.

Detailed Information

This section presents information on each of your accounts separately. It is divided into four subsections. The "Cash Summary" subsection presents changes in your cash balance during the month. The "Income and Expense" subsection shows

the total interest income and dividends earned, expenses you incurred and fees you paid during the current month and for the calendar year to date.

All transactions made during the month are presented in chronological order in the "Account Activity Details" subsection. Finally, the "Asset Details" subsection provides a listing of the securities you hold in the account, by asset class.

Purchases and/or dispositions of securities resulting from transactions settled after month-end (listed under "Transactions to settle after") will be reflected in the Portfolio Statement for the following month.

The "Status" column in the "Asset Details" subsection provides information on how the securities in your accounts are held. "SEG" (segregated) indicates fully paid securities which are segregated and held for you in nominee form.

"SFK" (safekeeping) indicates fully paid securities, which are segregated and held registered in your name. "OWED" indicates securities you have sold but which have not yet been delivered to us, or securities that were sold short. "UNSG" (unsegregated) indicates securities being held as collateral for your margin loan, and are therefore not segregated.

Market values for the securities held in your various accounts are provided in the "Asset Details" subsection. For publicly traded stocks, these values are obtained from sources we consider to be reliable, but we cannot guarantee their accuracy. Whenever possible, market values for fixed income securities include accrued interest. In the case of securities not listed on an exchange or traded infrequently, the value given is an estimate which does not necessarily reflect the actual market value. Whenever possible, an asterisk is printed beside each price which is questionable. For certain securities where we are unable to provide a market value, none is given.

Book Value:

"N/A" means that a portion or all of the book value of the security is unknown. If you did not provide us with the information, the book value was obtained through sources that we consider reliable. However, under no circumstances can we guarantee the accuracy of the book value since it may have been acquired from an external source. You accept the entire responsibility for the accuracy of the book value indicated and its use for tax reporting purposes.

Our clients in British Columbia are entitled to certain additional information about us, including information about commissions and fees that we charge, and about any administrative proceedings that may relate to the firm or our staff.

Interest rates on debit and credit balances are available upon request.

NBCN Inc. / National Bank Financial (NBCN Inc.) is pleased to provide the following services for your managed account(s) with your Advisor. We will trade and clear securities on such securities markets as directed solely by the Advisor, issue all tax receipts and required reports for clients of the Advisor and provide custodial services for securities held by the clients. Your Advisor has agreed to provide the following services to you as a client such that NBCN Inc. will not be responsible for; providing advice with respect to the investing in of securities of the managed accounts, ensuring that they are acting in accordance with the terms and conditions of the agreements and the providing of a quarterly statement of portfolio as required under the applicable Provincial Securities Act.

Explanations

Your Portfolio Statement consists of two main sections: the "Portfolio Summary" section presents an overview of your investments and is followed by a section providing detailed information on each of your accounts.

Portfolio Summary

The market value of the securities and cash in each of your accounts at month-end is expressed in Canadian dollars. The subsection on asset allocation indicates the distribution of the consolidated financial assets you hold with us across each of the main asset classes. Note that any securities sold short or debit cash positions are not included in the asset mix calculation.

Detailed Information

This section presents information on each of your accounts separately. It is divided into four subsections. The "Cash Summary" subsection presents changes in your cash balance during the month. The "Income and Expense" subsection shows

the total interest income and dividends earned, expenses you incurred and fees you paid during the current month and for the calendar year to date.

All transactions made during the month are presented in chronological order in the "Account Activity Details" subsection. Finally, the "Asset Details" subsection provides a listing of the securities you hold in the account, by asset class. Purchases and/or dispositions of securities resulting from transactions settled after month-end (listed under "Transactions to settle after") will be reflected in the Portfolio Statement for the following month.

The "Status" column in the "Asset Details" subsection provides information on how the securities in your accounts are held. "SEG" (segregated) indicates fully paid securities which are segregated and held for you in nominee form. "SFK" (safekeeping) indicates fully paid securities, which are segregated and held registered in your name. "OWED" indicates securities you have sold but which have not yet been delivered to us, or securities that were sold short. "UNSG" (unsegregated) indicates securities being held as collateral for your margin loan, and are therefore not segregated.

Market values for the securities held in your various accounts are provided in the "Asset Details" subsection. For publicly traded stocks, these values are obtained from sources we consider to be reliable, but we cannot guarantee their accuracy. Whenever possible, market values for fixed income securities include accrued interest. In the case of securities not listed on an exchange or traded infrequently, the value given is an estimate which does not necessarily reflect the actual market value. Whenever possible, an asterisk is printed beside each price which is questionable. For certain securities where we are unable to provide a market value, none is given.

Book Value:
 "N/A" means that a portion or all of the book value of the security is unknown. If you did not provide us with the information, the book value was obtained through sources that we consider reliable. However, under no circumstances can we guarantee the accuracy of the book value since it may have been acquired from an external source. You accept the entire responsibility for the accuracy of the book value indicated and its use for tax reporting purposes.

"OWED" indicates securities you have sold but which have not yet been delivered to us, or securities that were sold short. "UNSG" (unsegregated) indicates securities being held as collateral for your margin loan, and are therefore not segregated.

Market values for the securities held in your various accounts are provided in the "Asset Details" subsection. For publicly traded stocks, these values are obtained from sources we consider to be reliable, but we cannot guarantee their accuracy. Whenever possible, market values for fixed income securities include accrued interest. In the case of securities not listed on an exchange or traded infrequently, the value given is an estimate which does not necessarily reflect the actual market value. Whenever possible, an asterisk is printed beside each price which is questionable. For certain securities where we are unable to provide a market value, none is given.

Book Value:

"N/A" means that a portion or all of the book value of the security is unknown. If you did not provide us with the information, the book value was obtained through sources that we consider reliable. However, under no circumstances can we guarantee the accuracy of the book value since it may have been acquired from an external source. You accept the entire responsibility for the accuracy of the book value indicated and its use for tax reporting purposes.

Explanations

Your Portfolio Statement consists of two main sections: the "Portfolio Summary" section presents an overview of your investments and is followed by a section providing detailed information on each of your accounts.

Portfolio Summary

The market value of the securities and cash in each of your accounts at month-end is expressed in Canadian dollars. The subsection on asset allocation indicates the distribution of the consolidated financial assets you hold with us across each of the main asset classes. Note that any securities sold short or debit cash positions are not included in the asset mix calculation.

Detailed Information

This section presents information on each of your accounts separately. It is divided into four subsections. The "Cash Summary" subsection presents changes in your cash balance during the month. The "Income and Expense" subsection shows

the total interest income and dividends earned, expenses you incurred and fees you paid during the current month and for the calendar year to date.

All transactions made during the month are presented in chronological order in the "Account Activity Details" subsection. Finally, the "Asset Details" subsection provides a listing of the securities you hold in the account, by asset class. Purchases and/or dispositions of securities resulting from transactions settled after month-end (listed under "Transactions to settle after") will be reflected in the Portfolio Statement for the following month.

The "Status" column in the "Asset Details" subsection provides information on how the securities in your accounts are held. "SEG" (segregated) indicates fully paid securities which are segregated and held for you in nominee form. "SFK" (safekeeping) indicates fully paid securities, which are segregated and held registered in your name. "OWED" indicates securities you have sold but which have not yet been delivered to us, or securities that were sold short. "UNSG" (unsegregated) indicates securities being held as collateral for your margin loan, and are therefore not segregated.

Market values for the securities held in your various accounts are provided in the "Asset Details" subsection. For publicly traded stocks, these values are obtained from sources we consider to be reliable, but we cannot guarantee their accuracy. Whenever possible, market values for fixed income securities include accrued interest. In the case of securities not listed on an exchange or traded infrequently, the value given is an estimate which does not necessarily reflect the actual market value. Whenever possible, an asterisk is printed beside each price which is questionable. For certain securities where we are unable to provide a market value, none is given.

Book Value:

"N/A" means that a portion or all of the book value of the security is unknown. If you did not provide us with the information, the book value was obtained through sources that we consider reliable. However, under no circumstances can we guarantee the accuracy of the book value since it may have been acquired from an external source. You accept the entire responsibility for the accuracy of the book value indicated and its use for tax reporting purposes.
